

How to get here: Rode to Everest

As far as I know, there are no direct international flights into Kathmandu (Tribuvan Airport). All inbound flights are via various countries from where you connect to Kathmandu.

You need to arrive at the very latest on the start day of the trip which is the 09/05/2021. We need to meet in the hotel at 6pm in the evening to complete our Tibet Permit paperwork. An early afternoon landing time would be ideal. If you wish to arrive earlier then please contact the hotel directly and mention that you are with Nomadic Knights motorcycle group.

The easiest way to get to the starting point hotel is to get a taxi from outside the airport. There are always plenty of them available. It should cost you no more than the equivalent of \$10 as the hotel is only 6 kms away. As always, ask the price first.

Make sure that you are carrying US dollars with you when you land as you can change them for local currency (Nepalese Rupee) before exiting the airport. You'll need them to pay the taxi. I would suggest that you change no more than \$100 USD to start with. There are plenty of places next to the hotel if you need more.

The address of our starting point hotel is, Hotel Tibet International, Boudha, Kathmandu, Nepal. Tel: 00977-01-4488188 Fax: 00977-01-4487963 Email: info@hoteltibetintl.com.np

Your room will be ready for you so please give your name and mention that you are with Nomadic Knights. Myself, the motorcycles and the team will be at the hotel when you arrive. If there are any problems you can text or call (WhatsApp) on my mobile: 0091 9623 048879.

We end the ride in Kathmandu on the 21/05/2021 and leave the next day on the 22/05/2021. We'll have taxis available from the hotel to take you to the drop off point at Kathmandu International Airport. The journey will take around 20 minutes, depending on traffic of course.

Please make sure that you have checked in at least two hours prior to your flights, inward and outbound. Double check this with your airline. For your flight arrangements, I suggest that you try www.cleartrip.com or www.makemytrip.com. These are very competitive travel websites selling flights in all currencies.

I'll see you in Kathmandu.
