

How to get here: Roof of India

You need to fly in and out of Chandigarh International Airport (also known as Shaheed Bhagat Singh International Airport), India.

You need to arrive, at the very latest, on the start day of the tour which is the 08/07/23. However, it's a good idea to arrive the day before (07/07/23), stay in Chandigarh overnight, get a good night's sleep and get picked up the next day. The choice is yours.

The pick-up point will be at the following hotel at 13.00hrs (India Time) on the 08/07/23: Hometel Chandigarh, Plot No. 147-148, Industrial Area Phase 1, Chandigarh. 160002. Tel: 0091 1724 299999.

There is a nice reception area where you can relax, have a cool drink or get some food.

Once you land you can get a taxi from the airport to the Hometel quite easily as it is only around 10kms from the airport. Uber is also available. This distance may vary depending on the route the driver has to take due to traffic conditions. Ask the price first.

At 13.00hrs (India Time) on the 08/07/23, there will be a member of the Nomadic Knights team to meet you at the hotel with transport available. The distance is around 170kms and the journey should take around five to six hours depending on traffic. As you ascend the beautiful foothills of the Himalayas, it's likely that you'll stop on the way for Chai (Indian Sweet Tea) and a snack. If you wish to make your own way to our base in Narkanda, you can. A taxi from Chandigarh to Narkanda usually costs around 5,000inr (\$75.00 USD).

The address of our base is, Tethys Ski Resort, Nagrot Village, Narkanda, Himachal Pradesh, India. 171213 Tel: 0091 1782 242641 If there are any problems you can call the hotel or call/text/Whatsapp me on my mobile: 0091 9623 048879.

We end the ride in Narkanda on the 21/07/23 and leave the next day for the airport on the 22/07/23.

We will have transport available from the hotel at Narkanda leaving at 06.00hrs on the 22/07/23 to take you back to Chandigarh Airport. The journey should take around five to six hours. In my experience, it's always better to arrange your departing flight from Chandigarh as late as you possibly can. Late afternoon is ideal.

If you have taken the train & hotel optional extra at the end, your transport will be arranged separately.

DEPART FROM CHANDIGARH ON THE 23/07/23 IF YOU HAVE CHOSEN THE OPTIONAL EXTRA NIGHTS STAY. DETAILS CAN BE FOUND DURING BOOKING ONLINE.

It's likely that your outbound flight will be via Delhi. Please make sure that you have checked in at least two hours prior to your flight. Inward and outbound. Double check this with your airline.
